

## FAQ

# JUNE 9, 2020, ALL-MAIL BALLOT PRIMARY ELECTION IN CLARK COUNTY, NV

## OVERVIEW

To help keep you, your family, and our community safer by limiting interactions that could spread the coronavirus, the June 9, 2020, Primary Election is being conducted entirely by mail ballot. On or before May 18, 2020, Clark County registered voters will receive a mail ballot packet from the Clark County Election Department which will include:

- A ballot and instructions for voting a mail ballot;
- A pre-addressed, postage-paid envelope that must be used for returning voted mail ballots; and
- A list of mail ballot drop-off sites for voters to drop off their own voted mail ballot in-person, if they are unable to put their ballot in the mail.

Registered Voters who do not receive their packet by May 18, 2020, should contact us at (702) 455-VOTE (8683). We ***STRONGLY ENCOURAGE VOTERS TO MAIL THEIR BALLOT*** rather than drop it off in-person.

### How can I update my contact information?

We strongly encourage all voters who do not have their current e-mail or phone number listed in their registration records to contact the Elections Department as soon as possible and no later than **May 12, 2020**, to provide that information. Please make online updates at [www.registertovotenv.gov](http://www.registertovotenv.gov) on or before **May 21, 2020**.
